ABOUT MYSELF

I am a practicing Muslim and Allah-fearing person who values Islamic principles in daily life. I am a dedicated software developer with strong family values and believe in maintaining a good balance between deen and dunya. I offer my 5 daily prayers regularly and try to follow the Sunnah of Prophet Muhammad (PBUH). I am looking for a life partner who shares similar Islamic values and together we can build a happy, halal family life following the teachings of Islam.
